

## Beyond The Pre-Flight

The preflight is an Inspection, not just a walk around. It is as vital as any other aircraft inspection, including the annual, progressive, or phase inspections. Your presenter will review current data pertaining to accidents involving maintenance and current data concerning accidents that could have been prevented had a more thorough preflight been conducted. Don't miss this exclusive event. Click on the link below and register TODAY.

**Directions:** Seminar located in the Old Piedmont Terminal Building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
